Application No. 17/01426/F

Proposal: Proposed detached 4no. bed single dwelling house and associated works.

I refer to the above application, and to our discussion of extending the time for making the decision. I am writing to confirm that the time period for making a decision has been extended to **4 September 2017**. This is to enable the application to remain 'in time' as the application has been called in to be decided at Development Control Committee B.

Please quote the application number when supplying the further details.

Yours faithfully
