An appeal has been made to the Secretary of State against the city council who have refused to grant planning permission for the above.

The Planning Inspectorate has indicated that this appeal will be determined by an inspector following the submission of written statements by the parties concerned.

The Planning Inspectorate has asked that local residents and others that may be affected by the proposals be informed and given the opportunity to make representations. If you wrote to this department giving your views at application stage, a copy of your letter will be supplied to the inspector. If you would like to write now or modify or elaborate on any earlier views please write to The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN quoting reference number W/16/3145036.

Alternatively, you can submit your views on-line, check the information and progress using the Planning Casework Service at <https://acp.planninginspectorate.gov.uk/CaseSearch.aspx>. Please use the last seven characters of the Appeal Ref above to search for this case.

Any views must be submitted **22 April 2016**, and the Inspectorate must receive **three** copies of any letter. The Planning Inspectorate will not acknowledge representations but will ensure that letters received by the deadline are passed to the Inspector. Such views will be conveyed to both parties to the appeal.
